

## **DONATION REFUNDS AND CANCELLATION POLICY**

*Last Updated – October 5, 2022*

Fields of View has instituted this policy to ensure fair and transparent processing of requests for refund of donations as digital payments are becoming more frequent. We request and expect all donors to exercise due care and diligence prior to making donations.

Regarding the donations sought by Fields of View for continuing its non-profit work, in compliance with all relevant Income Tax laws, there is no obligation of refunds or cancellation of donations.

At the same time, Fields of View recognizes that a donation may be made erroneously or donors may change their mind. Fields of View shall examine requests for refund of donations and shall make an endeavour to make the refund on a case to case basis. We may also seek proper explanation and reasons from the donor for such refund.

We do not have any obligation to make refunds and, in our discretion, may decline any requests for refund of donations made, particularly if the tax exemption certificate has been issued to the donor.
